

Copyright and Disclaimer Statement

Copyright:

You may copy and distribute documents and related graphics downloaded from this World Wide Web server provided that the Copyright Notice appears in all copies and that both the Copyright Notice and this permission notice appear. All other rights reserved.

Disclaimer:

MI Technologies does not warrant the completeness, timeliness or accuracy of any of the data contained in this Web Site and may make changes to the material at any time without notice. All information conveyed on the web site is provided to users "As Is." In no event shall MI Technologies be liable for any damages of any kind related to the use or misuse of information provided hereby.

MI Technologies makes no representations whatsoever about any other web site which you may access through this one. When you access a non-MI Technologies web site, please understand that it is independent from MI Technologies and that MI Technologies has no control over the content on that web site. In addition, a link to a non-MI Technologies web site does not mean that MI Technologies endorses or accepts any responsibility for the content, or the use, of such web site. It is up to you to take precautions to ensure that whatever you select for your use is free of such items as viruses, worms, Trojan horses and other items of a destructive nature. In no event will MI Technologies be liable to any party for any direct, indirect, special or other consequential damages for any use of this web site, or any other hyperlinked web site, including without limitation any lost profits, business interruption, loss of programs or other data on your information handling system or otherwise even if we are expressly advised of the possibility of such damages.

Non Confidentiality:

MI Technologies does not want to receive confidential or proprietary information from you through our web site. Please note that any information or material sent to MI Technologies will be deemed not to be confidential. By sending MI Technologies any information or material, you grant MI Technologies an unrestricted, irrevocable license to use, reproduce, display, perform, modify, transmit and distribute those materials or information, and you also agree that MI Technologies is free to use any ideas, concepts, know-how or techniques that you send us for any purpose.
